

FRUITFULL ARMENIA proudly presents its 5th annual edition. This year we have organized a contest, FRUITFULL ARMENIA CONTEST as an initiative to encourage, incentivize, the presentation of **innovative proposals** and the development of **young Armenian talents** from around the **world**.

We do hope you will join us and be part of this state of the art search, a road of work that will be concluded in October 2009 where we will gladly present the **Awardees Ceremony** in the frame of FRUITFULL ARMENIA 5.

We seek for **young eager Armenians** from **all backgrounds**, including universities, investigation centers, farms, industries, small and medium enterprises, marketing, among many others, wishing to express their hopes and knowledge and to specifically **present a revolutionary project** involving new methods, ideas, formats for the Republic of Armenia in any of the areas referenced above in order to find the **FRUITFULL ARMENIA TALENTS**.
